

Saleh Amin

3D Artist

Profile

Creative and highly skilled 3D artist with a passion for bringing imaginative concepts to life through 3D modeling, texturing, and animation. Proven expertise in creating visually stunning assets for games, films, and interactive media. Strong proficiency in industry-standard software and a track record of collaborating on successful projects. Committed to delivering high-quality, innovative 3D content that captivates audiences.

Accustomed to working well with others and committed to meeting deadlines and adhering to project guidelines.

Adept at working independently and collaboratively on projects, and committed to achieving visual innovation and beauty. Bringing forth the ability to work well with others and utilize my art skills to visually enhance projects.
